

# DESSERT MENU

Whether you're looking to add the perfect dessert selection to an engaging cocktail party, delicious buffet spread, or a plated sit-down event, Lisa's dessert favorites are the perfect choice. The majority of our desserts are petite in size and we recommend 2 to 4 pieces from our "petite dessert" selections per guest, and 1 to 2 pieces from our "classic dessert" selections per guest. **Reminder:** Please place orders a minimum of three days in advance for guaranteed availability, although our catering team will do its best to serve you even when you're planning a last-minute event.

Our signature desserts as well as the most trending & popular desserts are marked with a  sprig of rosemary.
